## How to Be Happy When They're *(Association Members/Customers/Coworkers/Bosses/Kids)* Driving You Batty!

[Back to Meeting Planner's](#)

You know who I'm talking about... Every association chapter, business department, or extended family has at least one or two members who seem to go out of their way to get in your way - and drive you nuts! It doesn't have to be that way. Marilyn offers simple strategies you can use to regain your sanity have a working relationship with your "favorite people" - and lead a successful team filled with the entire cast of characters from your association, business, or family unit. If you've ever been frustrated by you-know-who, this is a program you can't afford to miss!
