Building Positive Relationships - At Home and at Work

[Back to Meeting Planner's](#)

Developing positive relationships with the people in our lives can take your quality of life up several notches. In this workshop, Marilyn teaches:

- How to resolve conflicts and create productive relationships
- Proven skills to create a more positive work environment
- Discover ways to overcome the typical communication blocks

Enjoy a new level of comfort, resilience, and connection. Sidestep the common communication pitfalls that undermine positive relationships. Gain competency and take your relationship strengthening skills to new heights.
